Navega, Velas y Viento, SL

All our activities are related to the world of sailing: sailing courses, events for companies, trips, regattas, rental of sailing and motor boats and maintenance of private boats.

At all times we prioritise a direct and personal treatment with our clients, so that they would enjoy their experience.

What we offer?

Reliability and commitment are the basis of our team at Velas y Viento.

Our personal and professional experience, combined with our passion for what we do, guarantee an excellent result for our clients.

BOAT RENTAL

We have a large motor and sailing fleet based in La Marina de Denia (Denia, Alicante)

SAILING COURSES

Sailing courses (all levels), regatta training, pleasure boat maintenance courses

NAUTICAL CERTIFICATES

Obtaining official recreation certificates approved by the Merchant Marine

BOAT MAINTENANCE

Periodic checkups , permanent surveillance, paperwork, safety equipment, groundings, sails, rigging, engines, etc.

Charter Rental

Motor and sailing boats

We only do private management of the boats, knowing at all times their state of maintenance and equipment.

Our aim is to make your holiday an unforgettable and special experience, whether you charter with or without a professional skipper from our company.

Boats are maintained all year round by our staff.
